STATUS REPORT IN RESPONSE TO COURT'S JUNE 10, 2020 ORDER

On January 17, 2020, this Court issued an *Order Directing Upsolve to Show Cause and Verify that the Assistance it Provides to Debtors in this District Complies with Applicable Law* and scheduled a Show Cause hearing for March 30, 2020, at 10:00 AM. On February 28, 2020, Upsolve filed a response and affidavits in connection with the Court's order. On March 13, 2020, this Court issued an Order Directing Parties to the Hearing Set for March 30, 2020 to File a Line Addressing Timing of Hearing and Capability For Videoconferencing, to which Upsolve responded on March 17, 2020. On March 19, 2020, the Court issued an Order Granting Motion to Continue and Directing Filing of a Status Report on or Before May 18, 2020, to which Upsolve responded on May 18, 2020. On June 10, 2020, the Court issued an Order Further Continuing Hearing, directing Upsolve to file a status report on or before Friday, August 7, 2020.

In response to the Court's June 10 Order, Upsolve respectfully seeks a continuance of the Show Cause hearing for an additional 60 days, with Upsolve to provide an additional Status Report to the Court in advance of any rescheduled hearing date.

It is counsel's understanding that, pursuant to the U.S. District Court for the District of Maryland's Standing Order 2020-11 and this Court's July 7, 2020 Current Operational Status of the United States Bankruptcy Court for the District of Maryland During the COVID-19 Pandemic, all bankruptcy hearings shall continue as presently scheduled unless otherwise ordered or rescheduled by the presiding judge. Upsolve, however, continues to believe that in-person presentation by counsel and in-person testimony by the affiants would best assist this Court in resolving any remaining questions about the assistance that Upsolve provides to debtors in this District. Upsolve further believes that the in-person preparation of the affiants for testimony would best effectuate the clearest presentation of evidence to the Court. In light of these considerations, and the non-emergency nature of this matter, a continuance of the hearing would best further the interests of justice. If, however, the Court prefers a more expedited resolution of this matter, counsel and the affiants are now of sound health and are capable of participating in a hearing by videoconference.

Upsolve thus respectfully requests a further continuance of the Show Cause hearing.
